Why attend COLLABORATE 20?

Created by users for users, COLLABORATE 20 brings IT strategists, users, and developers together with Oracle teams and vendor experts to share inspiration, insights and solutions.

At this year's conference, expect:

✓ 1,000+ functional and technical educational sessions

✓ Hands-on labs and how-to workshops to put into practice what you're learning

✓ Networking opportunities at every turn - connect with your peers and experts in your product track.

COLLABORATE will help you and your team:

✓ Drive innovation

✓ Make better decisions faster

✓ Improve customer experience

✓ Align IT and business goals

✓ Expand the business value of your existing solutions

✓ Connect with experienced professionals

✓ Get set up for success

**Registration or general questions?
I can help!**

Making the case

> " I was able to meet individuals that will be valuable resources for me in the future. I also really enjoyed the exhibitor showcase which allowed me to ask questions and learn more about the products and services that many companies offer. "

- COLLABORATE 19 Attendee

> " The sessions were very informative and I was able to network with many other users and contractors. The exhibit hall was amazing, and the vendors were extremely interesting. "

- COLLABORATE 19 Attendee
